From The Girl's Camp

Spring has sprung and flowers are popping up everywhere at Camp. We can't wait for the Buttercups, Daisies, Bluebonnets, Poppies, Sunflowers, Lilies, Lantanas, Magnolias, and Daffodils to return this summer! In 2020, we're adding one more flower to the mix...**the Rose Cabin!** Thank you to all who voted for the cabin names in our fall BULLETIN. Your voices were heard!! We have also completed our newest girls camp library, **the Cedar Library.**

With close to 800 girl campers signed up for 2020, we are so excited for an amazing season! The sounds of summer are all around Camp and we are ready to have campers running around the "hills and dales" of CLH. We will have our first larger group of "Chiefs" this summer. Being a Chief is a very special year for our oldest girl campers. They will be learning important leadership skills they will use when they become counselors the following year. What a cool year for our younger campers to look forward to!!

I want to send out a huge thank you to our waiting list campers for being so patient as we try to find a spot. We will continue to place new campers throughout the spring.

We are also excited about our amazing new and returning counselors joining us this summer. Our counselors are the BEST and we are so grateful for the job they do. We will continue to recruit counselors throughout the spring.

If you know of a young lady who would be a great fit for Longhorn, please feel free to recommend her! Our summer employee application is open at www.camplonghorn.com. In these months leading up to Camp, don't forget to continue doing your merit questions on the website. Mary Merit has been working hard to restock the Merit Store for Camp!

Attawaytogo,
Stacy

From The Boy's Camp

Spring is in the air! The time change and the smell of fresh cut grass always makes me think of camp. We are wrapping up our winter projects and beginning our summer preparations which is a great feeling.

Our counselors are counting down the days too. Many of you have asked if it is possible for a counselor to apply even though he/she didn't grow up through the CLH system. The answer is yes, as long as they are highly recommended by one of our camp families. Just make sure they add your name where it asks, "recommended by" on their application.

A big thank you goes out to all the campers who voted in our "NAME THE CABIN" competition. DRUM ROLL PLEASE....the new cabin name is.....**the WALLEYE CABIN!** Boys Camp is now complete with our 10th and final cabin. We have a few more surprises around camp that we will reveal once our campers arrive.

Thank you to our waiting list campers and their families for their patience. We still anticipate movement throughout the spring. We will continue placing campers as bunks become available.

Here is one thought that may help your camper transition from "home life" to "camp life" a little easier. As you all know, CLH campers unplug while at camp. I have seen a lot of success from campers who put down their electronics several days before the start of the term. This allows campers to ease into an environment where electronics are not used.

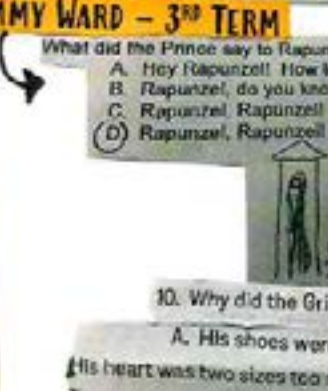

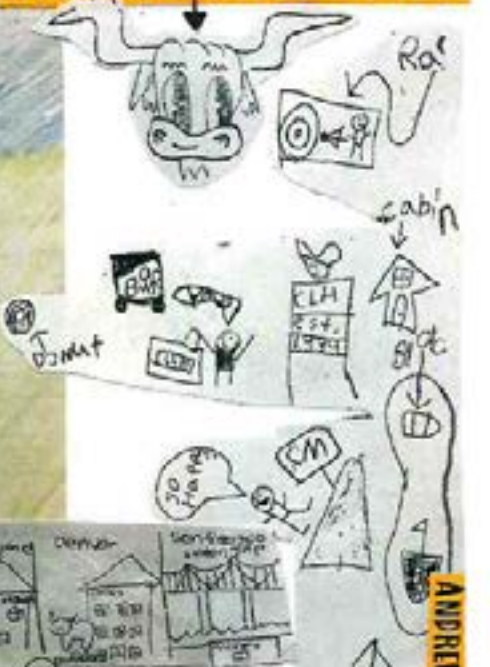

We are looking forward to a great summer!
Attawaytogo,
David

Greetings C3 Families!!!

CLASP CORNER

A NOTE FROM C.L.A.S.P. . . .

C.L.A.S.P. (Camp Longhorn Alumni and Special Parents) has had a busy six months! Carnivals are almost over with some great, great help at the **C.L.A.S.P.** tables. Our HAPPY 80th BIRTHDAY CAMP LONGHORN BASH was a huge success at Horseshoe Bay in the middle of January! Weather was cool and nice, lunch at both camps was enjoyable and our banquet and "campfire" in the evening of January 18th was GREAT! Wonderful buffet, special friends and most of all a great "campfire" by JOHN MILLER and his assistants, PAUL LEE and DOUG THOMPSON. And, we thank you, JOHN, PAUL, and DOUG.

Now it's time to gather information for the Spring Newspaper ... and it's almost time to think "parking passes" (which go out separately from camp mail at the beginning of May!) It's a time when we see the grass getting green and the weather a little warmer that we know Camp is just around the corner and SOON there will be some of the greatest kids in the world arriving for many, many weeks of fun-in-the-sun.

If you are not already a member of **C.L.A.S.P.** and would like to join or you are a member and would like to pay your dues, the easiest way to do this is on-line on the CLH website. Again, it's a bargain - \$20 married couples and \$15 singles. Life Memberships are \$200 . . . add a spouse \$250! **C.L.A.S.P.** is made up of former campers and counselors who are at least 23 years old and also any parent(s) who have or have had children at camp for at least 2 years and signed for a 3rd year! Our **C.L.A.S.P.** "year" is from September to September and Sunday, June 7th is the start of another magical summer. LOOKING FORWARD TO SEEING YOU SOON!

News from the World's Greatest (and only) Merit Store!

Each year, the Merit Store gets bigger and better! This summer, campers will be excited to find an expanded TOY SECTION. No peeking parents! It will be behind closed doors on V-Days. But we'll still have lots of great t-shirts, sweatshirts, swim shirts, cups, hats, and fun memorabilia for you.

We're also expanding our care packages to one per camper per week. So campers who attend two-week terms can now get TWO care packages! Simply order the care package twice. The second one ordered will be packed with unique Camp-themed items different from the first.

One other note - you may notice fewer items on the website for In-Camp delivery this summer. We're trying to create less clutter in the cabins while providing more custom Camp Longhorn goodies that your camper can use while at C3. So keep an eye out for NEW great products posted on the website soon!
